WEBSITE: www.mlincsolutions.com

- Assists mortgage companies and other settlement service providers in the management of strategic relationships with other entities from both a business and compliance standpoint
- Stores and organizes MSAs and other contracts, and associated data:
 - Business associate information
 - MSA documents and exhibits
 - MSA valuation reports
 - Service and activity expectations
 - Business associate service attestation and reports
 - Indicative information data and documentation regarding services performed by month, e.g. emails, screenshots, minutes to meetings, photos, etc.
- Provides an outline of a Services Completion Form to be submitted by business associates for payment approval
- Generates reports that alerts management when services have not been performed or sufficient proof has not been collected
- Provides secure, hosted, “cloud-based” solution
- Supports simple, easy access to SADR from PCs, netbooks and smartphones
- Uses browser-based interface with standard navigation tools for quick-start capabilities with minimal training
- Provides cost-effective, subscription-based pricing
